

Afghanistan Has Fallen. How Should Government Contractors Minimize Risk During This Crisis?

August 17, 2021

1pm EST

Disclaimer

All of these legal issues are very factually intensive and require knowledge of government contracts law – and a lot of creative thinking – to minimize risk during this crisis.

Agenda

- Safety is #1
- Follow USG direction
- Keep Working
- Dealing with Local Nationals
- Move, Disable, Destroy Information
- Protect Property
- Prepare for Claims and Audits
